**2026 NATIONAL PERFORMANCE GOALS™ FOR HOSPITALS**

Joint Commission has organized its requirements that go beyond regulation into 14 critical areas designed to prevent patient harm, improve care, and create a safe environment for all.

- NPG11** Right Patient, Right Care  
The hospital ensures that the correct patient receives the correct care at the correct time.
- NPG12** Culture of Safety  
The governing body and leadership team foster a culture of safety.
- NPG13** Emergency Management  
The hospital has an emergency management program.
- NPG14** Excellent Health Outcomes for All  
The hospital prioritizes excellent health outcomes for all.
- NPG15** Infection Prevention and Control  
The hospital prioritizes infection prevention and control.
- NPG16** Pain Management  
The hospital prioritizes pain management and safe prescribing practices.
- NPG17** Patient Rights  
The hospital respects the patient's right to safe, informed care.
- NPG18** Suicide Risk and Reductions  
The hospital reduces the risk of suicide.
- NPG19** Safe Transplant Practices  
The hospital develops and implements safe transplant practices.
- NPG20** Waived (Point-of-Care) Testing  
The hospital performs waived tests safely and consistently.
- NPG21** Workplace and Patient Safety  
The hospital maintains workplace and patient safety.
- NPG22** Staffing  
The hospital is staffed to meet its patients' needs, and staff are competent to provide safe, quality care.
- NPG23** Imaging Safety  
The hospital safely performs imaging services.
- NPG24** Medication Management  
The hospital has a medication management program that focuses on safety.
